

### **Titley Legacy Society**

The John and Edith Titley Society is named for two SCORE pioneers, an early SCORE volunteer and his wife who left SCORE our first bequest. John Titley of Medford, Oregon, was a volunteer for more than a decade and mentoring small business owners became a passion for him. Today we have more than 40 Titley Society members who allow SCORE to list their name in our annual honor roll. Doing so helps to inspire others to consider supporting SCORE with a bequest or other estate gift.

If you choose to include SCORE in your will or other estate plans, please let us know so we can thank you and so we can include your name in the Titley Society to inspire others.
